Danger! Risk of serious or deadly injury or severe product damage.

Warning! Risk of injury or product damage.

Notice! Useful information.

1. INTRODUCTION

THANK YOU SO MUCH FOR BUYING AN OFYR® PRODUCT. THIS MANUAL CONTAINS ASSEMBLY INSTRUCTIONS, WARRANTY CONDITIONS, AND ADDITIONAL INFORMATION ABOUT YOUR OFYR® WOOD STORAGE CABINET CORTEN AND BLACK, WOOD STORAGE DRESSOIR CORTEN AND BLACK.

1.1 OFYR® WOOD STORAGE DRESSOIR CORTEN AND BLACK

OFYR® Wood Storage DRESSOIR is a compact version of the OFYR® Wood Storage with on top a Rubberwood board that can be used for food preparation.

1.2 OFYR® WOOD STORAGE CABINET CORTEN AND BLACK

OFYR® Wood Storage Cabinet is, with a height of 130cm, a less space consuming version of the OFYR® Wood Storage. It transforms a stack of wood into an attractive feature separation wall.

2. SAFETY AND SETUP INSTRUCTIONS

Due to the considerable weight of the elements unpacking and placing of the product should be done by at least 2 people.

While the corrosion is still superficial, the Corten steel elements may cause orange stains on clothes, skin and the surface they stand on. When it rains, corrosive water may also run off these elements, which may permanently stain light-toned stone or wooden surfaces.

OFYR® Wood Storage Cabinet Black and Wood Storage DRESSOIR Black are more sensitive to damage during setup and use because of its coating.

Only place your OFYR® Wood Storage Cabinet and Wood Storage DRESSOIR on a hard, leveled and stable surface.

Do not shift the OFYR® Wood Storage Cabinet and Wood Storage DRESSOIR after setup. This may cause damage to the adjustable feet or the rivet nuts with which they are attached.

Do not use the adjustable feet to change the overall height of your OFYR® Wood Storage Cabinet and Wood Storage DRESSOIR. The wood storage may become unstable if the adjustable feet are extended by more than 10mm.

OFYR® Wood Storage Cabinet and Wood Storage DRESSOIR are very heavy and should be attached to a solid wall via the holes in the backs of the boards. If they fall over, this may cause severe or life-threatening entrapment injuries.

No mounting hardware has been included, because different types of walls require different mounting hardware. Use mounting hardware that is suitable for your type of wall. Please contact a specialised dealer to obtain advice regarding which hardware to use.

Never leave the OFYR® Wood Storage Cabinet and Wood Storage DRESSOIR unattended and keep children and pets away from the Wood Storage Cabinet and Wood Storage DRESSOIR.

3. DISCLAIMERS

3.1 SAFETY AND SETUP-, INTENDED USE- AND MAINTENANCE INSTRUCTIONS/TIPS

We are not liable for any injuries or damages as a consequence of not following our safety and setup-, intended use- and maintenance instructions/tips.

3.2 CORTEN STEEL

OFYR® Wood Storage Corten DRESSOIR and Wood Storage Corten Cabinet are made from Corten steel: a metal with a natural layer of corrosion that protects against rust perforation and is designed to withstand all weather conditions. OFYR® Wood Storage Corten Cabinet and Wood Storage Corten DRESSOIR come with the additional service that the corrosion process has already started by the time they are delivered. Upon delivery, it takes another 6-12 months for the initial corrosion to turn into a fully protective layer.

The unit's color may change over time as the corrosion process may not yet have fully unfolded. We are not liable for the way the color will change.

Any Corten steel components that are less corroded than others upon delivery are not eligible for replacement. All components will corrode naturally over time under influence of the weather. We are not liable for differences of corrosion between the different components.

While the corrosion is still superficial, the Corten steel elements may cause orange stains on clothes, skin and the surface they stand on. When it rains, corrosive water may also run off these elements, which may permanently stain light-toned stone or wooden surfaces. We are not liable for stains as a consequence of corrosion.

3.3 BLACK-COATED STEEL

Please note that OFYR® Wood Storage Cabinet Black and Wood Storage DRESSOIR Black have a coating and are thus more sensitive to damage during setup and use. We are not liable for any damage or consequential damage resulting from the setup or use of your OFYR® Wood Storage Cabinet Black and Wood Storage DRESSOIR Black. For small repairs the units come with a free Repair Bottle.

Due to weather and sunlight the coating can be subject to discolouration. We are not liable for such discolouration.

4. WARRANTY TERMS PER ELEMENT

A limited lifetime guarantee applies to the material and construction of the OFYR® Wood Storages Cabinet and Wood Storages Dressoir for the original buyers or owners, provided that they purchased their unit from an authorised dealer and registered their warranty in the required manner through OFYR Club at www.ofyr.club.

	B2C	B2B
Corten steel	5 years	3 years
Black-coated steel	2 years	1 year
Rubberwood	2 years	1 year

This warranty covers manufacturing defects. It applies to the original buyers or owners of the OFYR® Wood Storage Cabinet and Wood Storage Dressoir provided that

- They purchased their unit from an authorised dealer.
- They assembled, used and maintained the OFYR® Wood Storage Cabinet and Wood Storage Dressoir according to the instructions/tips in this manual.

NOT COVERED BY WARRANTY

- Wear, corrosion, deformation and discolouration of parts exposed to fire;
- Corrosion and discolouration caused by external influences.
- Damages caused by not following our safety and setup-, intended use- and maintenance instructions/tips.

5. WOODEN BOARD

The wooden top on the OFYR® Wood Storage Dressoir is made of Rubberwood. Rubberwood is considered to be one of the most ecological types of wood. Rubbertrees are only cut down after the complete end of the cycle of latex production.

5.1 INTENDED USE

- Wood is a natural product and should therefore be stored indoors.
- Do not use the wooden board as a chopping board.
Using sharp objects causes irreparable damage.
- Do not use heavy objects as exerting large forces on the wooden board can cause irreparable damage.
- Do not clean the wooden board with corrosive substances or clean them in a dishwasher.

5.2 MAINTENANCE TIPS

- Before the first use: Clean the wooden board thoroughly with a mild detergent.
- Use a damp cloth and mild detergent for daily cleaning.
Make sure to clean the wooden board after every use.
- Cleaning of persistent stains: use a damp cloth or a sponge (no scourer) with a mild detergent.
- Clean the wood in the direction of the nerve to retain the quality of the material.
- Dry the wooden board after cleaning.

Do not clean the wooden board with corrosive substances or clean them in a dishwasher.
